### AREA ATTRACTIONS

---

Situated on the magnificent Banderas Bay, Puerto Vallarta entices you with its incomparable charm and beauty. Yachts dot the harbor, but this town captures the heart and soul of Mexico.

Stroll through the old town of cobblestone streets and white stucco buildings. Walk around the colorful Malecon, the bustling shopping district.

Visitors flock to many festivals held here. One of the most popular is the annual Gourmet festival that attracts chefs from around the world.

Indulge in a variety of water sports—sailing, fishing, diving, wind surfing. Take a nature tour to the bird sanctuary at the Marietas Islands. Cited by Jacques Cousteau as a beautiful natural reserve, it is also a favorite of divers for its reefs and underwater wonders.

Nature puts on its own spectacle from December to March when humpback and gray whales come to the warm waters of Puerto Vallarta to play.

Walk along the silky sands of the Playa de los Muertos and Playa del Sol. Film buffs the world over will recognize the Mismaloya beach where "The Night of the Iguana" was filmed.

The Mayan Palace Puerto Vallarta concierge will gladly help you make all arrangements.
